NAMRATA D. SIDDHE

Business Development & Enterprise Sales Professional | 6+ Years | B2B · PLM · ERP · Cloud · SaaS | Pune

PROFESSIONAL SUMMARY

Results-driven Business Development & Sales Professional with 6+ years of B2B technology sales experience across India and APAC. Proven track record in end-to-end sales cycle management, enterprise account renewals, and consultative digital transformation selling to CXO-level stakeholders. Expertise spans PLM, ERP (Oracle), Cloud/SaaS (Google Workspace), and engineering software solutions across manufacturing, IT services, and corporate L&D.; Consistently delivers client retention, revenue growth, and pipeline expansion through strategic relationship-building and solution-based selling.

Note: Planned career break Oct 2021 – Sep 2023 for family care. Returned Oct 2023 with full focus on enterprise technology sales.

KEY ACHIEVEMENTS

- 95% client renewal rate — PLM & digital solution accounts (Softcell Technologies, 2024–25)
- 50+ corporate accounts closed | 700+ Google Workspace licenses deployed (Infiflex Technologies)
- 75% quarterly target achievement — Oracle ERP enterprise sales (Cyret Technologies, 2023–24)
- CXO-level engagement across engineering, manufacturing & IT services sectors
- APAC market exposure | Full sales cycle ownership | SaaS subscription transition expert

PROFESSIONAL EXPERIENCE

PSR Tech Hub

Senior Inside Sales Executive — SI Profile | Jul 2026 – Present | Pune

- Manage end-to-end inside sales activities, including lead generation, qualification, follow-ups, and conversion.
- Generate and nurture B2B leads through outbound calling, email campaigns, LinkedIn, and other digital channels.
- Understand customer business requirements and recommend relevant solutions aligned with their needs.
- Conduct discovery calls, product/service presentations, and coordinate demos with prospects.
- Manage the sales pipeline from initial prospecting through proposal, negotiation, and closure.
- Prepare quotations, commercial proposals, and sales documentation in coordination with internal teams.
- Maintain regular follow-ups with prospects and build strong relationships with key decision-makers.
- Collaborate with pre-sales, technical, and delivery teams to ensure accurate solution positioning and smooth handover.
- Maintain CRM records, update lead/opportunity status, and provide regular sales activity and pipeline reports.
- Work toward achieving monthly and quarterly sales targets and revenue objectives.

Softcell Technologies Global Pvt. Ltd.

Business Development & Renewal Sales Executive — PLM & Digital Solutions | Sep 2024 – Nov 2025 | Pune

- Managed complete B2B renewal sales cycle for engineering & manufacturing enterprise clients, achieving 95% client retention across PLM, simulation, and design automation solutions.
- Identified and closed upsell & cross-sell opportunities — transitioning accounts from perpetual licensing to SaaS/subscription models, increasing recurring revenue and account stability.
- Engaged CXO and VP-level stakeholders to align digital transformation roadmaps with PLM and engineering software investments.
- Collaborated with customer success and technical pre-sales teams to ensure seamless renewal experience and rapid issue resolution.
- Reactivated dormant and expired license accounts — recovering revenue from lapsed investments.
- Maintained CRM (Bitrix) pipeline with accurate renewal forecasts, metrics, and activity tracking.
- Delivered consultative presentations and led commercial negotiations with enterprise procurement teams.

Cyret Technologies India Pvt. Ltd.

Inside Sales Executive — Oracle ERP & Enterprise Applications | Oct 2023 – Aug 2024 | Pune

- Drove B2B inside sales of Oracle ERP and enterprise application solutions to mid-market and large enterprise clients across manufacturing, BFSI, and IT sectors.
- Engaged C-suite, VP, and Director-level decision makers with tailored solution presentations, ROI-focused proposals, and product demos.
- Achieved 75% of quarterly revenue targets through disciplined outbound prospecting, follow-up cadences, and deal management.
- Conducted discovery calls and needs assessments to map client business challenges to Oracle solution capabilities.
- Managed full sales pipeline from lead qualification through proposal submission and contract closure.

Knowlathon IT Services Pvt. Ltd.

Business Development Manager — IT Certifications & Corporate Learning | Jan 2019 – Sep 2021 | Pune

- Led end-to-end business development for IT certification programs and corporate L&D; solutions — managing pre-sales, solution scoping, proposals, and post-sales client relationships.
- Built and managed a strong B2B lead pipeline using CRM tools, LinkedIn outreach, and email campaigns across IT, BFSI, and manufacturing verticals.
- Converted prospects to clients consistently — meeting quarterly sales targets through structured follow-up and consultative selling.
- Managed relationships with L&D; Heads, HR Directors, and procurement teams — ensuring satisfaction, retention, and repeat business.

- Coordinated with training delivery teams to align learning programs with corporate client objectives and ensure successful outcomes.

Infiflex Technologies Pvt. Ltd.

Technical Sales Associate — Google Cloud (G-Suite) & Web Solutions | Aug 2017 – Dec 2018 | Pune

- Closed 50+ corporate accounts and deployed 700+ Google Workspace (G-Suite) licenses — recognised as top contributor to company cloud revenue.
- Managed end-to-end sales cycle from cold outreach and C-suite presentations to signed contracts for Google Cloud and web development services.
- Engaged MD, CEO, and CTO-level decision makers to deliver tailored solution pitches and custom proposals.
- Designed and executed email marketing and digital outreach campaigns — expanding brand presence and building top-of-funnel pipeline.
- Collaborated with the technical team to scope and present web development solutions to enterprise clients.
