PROFESSIONAL EXPERIENCE

Sr. Business Development Executive | **Nice Software Solutions Pvt. Ltd.** (Part-time) **Feb 2026 – Apr 2026**

Pune District, Maharashtra, India · Hybrid

- **Sales Execution:** Drive the end-to-end sales cycle for enterprise IT solutions and digital marketing services—from identifying and qualifying high-value opportunities to negotiating contracts and closing revenue-generating deals.
- **Executive Engagement:** Engage and build trusted relationships with C-level executives and key stakeholders, while maintaining an organized sales pipeline using CRM tools to optimize forecasting and deal velocity.
- **Solution Positioning:** Deeply understand client needs to position custom IT products, digital marketing campaigns, and growth strategies that align market demand with business capabilities.
- **Market Strategy:** Conduct market research to identify strategic partnerships and emerging industry trends, establishing actionable timelines and KPIs to meet company revenue goals.

Sr. Business Development Executive | **Futurism Technologies** **Jan 2024 – Nov 2025**

- **Revenue Generation:** Successfully finalized deals generating $1M in revenue and secured new business opportunities across IT solutions and digital marketing services.
- **Enterprise & Automation Strategy:** Developed targeted sales strategies for IT products, customized ERP implementations, digital marketing initiatives, and Robotic Process Automation (RPA) workflows.
- **Deep-Tech Consulting:** Formulated cloud, AI/ML, and big data consulting pipelines, ensuring high-scale technical frameworks aligned with client parameters.
- **Executive Engagement:** Confidently interacted with C-Level Executives to present value-driven IT infrastructure, digital marketing campaigns, enterprise mobility solutions, and digital transformation services.
- **Operational Leadership:** Collaborated with management on forecasting and sales goals while increasing deal closures by 20% through skilled negotiation.
- **Pipeline Management:** Mastered CRM software to maintain a robust and transparent pipeline of all sales administration and activity.

Sr. Business Development Executive | **Ziff Davis Performance Marketing** **Sep 2022 – Dec 2023**

- **Market Growth:** Executed sales strategies that exceeded revenue goals by 15% and resulted in a 30% increase in overall revenue generation.
- **Strategic Research:** Conducted comprehensive market research to identify trends and threats across Web, App, and enterprise technology landscapes, increasing customer satisfaction by 10%.
- **Business Expansion:** Evaluated potential mergers, acquisitions, and partnership opportunities to drive long-term organizational growth.
- **Account Retention:** Cultivated and maintained strong, enduring relationships with existing partners, clients, and key stakeholders.
- **Performance Tracking:** Analyzed KPIs to provide actionable insights, leading to a 20% growth in targets within a single quarter.

Business Development Executive | **Intellectual Research Services** **Dec 2019 – Nov 2021**

- **Lead Acquisition:** Proactively identified and qualified leads through market research, cold calling, and networking to expand the customer base across custom web/app, enterprise software, and mobility solution domains.
- **Contract Optimization:** Led high-stakes negotiations resulting in a 20% increase in contract value and highly favorable pricing terms.
- **Target Excellence:** Consistently surpassed revenue targets by implementing strategic sales plans and staying updated on industry innovations.
