PROFILE

Dynamic and results-driven Associate Lead Business Development with over 10 years of experience in B2B sales, lead generation, and client relationship management within the IT and SaaS industries. Adept at executing strategic outbound campaigns, nurturing enterprise-level sales pipelines, and conducting high-impact product demos. Proven track record of exceeding targets, mentoring teams, and delivering exceptional customer engagement across global markets including the USA, Europe, APAC, and India.

WORK EXPERIENCE

Calsoft Pvt. Ltd — **APR 2023 - MAY 2025**

Associate Lead Business Development

- Conduct thorough research to identify emerging trends, potential clients, and competitive landscapes.
- Utilize various channels to generate and qualify leads, ensuring a robust sales pipeline & engage with prospective clients through meetings and presentations, effectively communicating about value propositions.
- Establish and maintain strong relationships with key stakeholders, ensuring long-term partnerships and repeat business.
- Collaborate with internal teams to prepare proposals, pricing strategies, and presentations tailored to client needs.
- Lead negotiations to close deals, ensuring favourable terms for both Calsoft and the client.
- Work closely with engineering, presales, and delivery teams to ensure alignment and smooth execution of projects along with providing insights from clients to internal teams, facilitating continuous improvement in service offerings.
- Scheduled high-level in-person meetings for the CEO, COO and Vice Presidents.
- As the Associate Lead – Business Development: Managed two Business Development Representatives (BDRs), providing strategic guidance and performance oversight.
- Was part of the SME team which contributed to a specialized team focused on storage networking and virtualization verticals.

ACHIEVEMENTS

- Exceeded yearly Targets: Surpassed revenue goals and successfully closed high-impact deals.
- Closed 4 logo's in my tenure of 2 years at Calsoft and generated around 1.7M revenue overall.
- Promoted to Mentor Level at Ziff Davis; trained new batches and managed underperforming teams to achieve targets.
- Frequently topped sales performance stack rankings.
- Successfully managed high-value projects across IT, SaaS, UX/UI, Cloud, and government tech verticals.
- Received multiple client commendations for business impact and consistency.
