WORK EXPERIENCE

Rabbit And Tortoise Technology – Kharadi, Pune, Maharashtra

JR. Talent Acquisition Associate | June 2023 – Present

- Managing end-to-end recruitment activities including job posting, candidate sourcing, resume screening, interviewing, offer coordination, and onboarding.
- Sourcing candidates through Naukri (Resdex), LinkedIn, employee referrals, social media platforms, and professional networking.
- Conducted employee induction & onboarding sessions for new hires.
- Screened resumes match candidate skills, experience, and qualifications with job requirements.
- Conducting initial HR interviews to assess communication skills, attitude, and job fit.
- Coordinating interview schedules between candidates and hiring managers to ensure a smooth hiring process.
- Working closely with hiring managers to understand job descriptions and hiring priorities.

- Built connections with contractors to ensure timely manpower availability.
- Assisting in recruitment planning and execution for multiple open positions.
- Managed end-to-end onboarding process includes documentation, joining formalities, orientation, and employee record management.
- Assisted in payroll processing by maintaining attendance and leave records, updating employee details, and coordinating with the payroll team to ensure timely salary processing.
- Managed employee queries related to HR policies and processes.
- Supported HR audits by maintaining and verifying employee records, updating HR documents, and ensuring all required documentation was accurate and audit ready.
- Managed end-to-end background verification (BGV) by collecting documents, coordinating with candidates and vendors, tracking verification status, and ensuring timely completion of the process.
- Maintaining clear and professional communication with candidates to provide positive hiring experience.
- Managing multiple open positions simultaneously while meeting deadlines and quality standards.
- Handling employees' leave records, attendance data, and supporting payroll-related activities, ensuring accurate data management and timely processing.
- Managed exit process including resignations, clearances, relieving & experience letters, full & Final Settlement.
