PROFILE SUMMARY

SaaS-focused Senior SDR with 9+ years of experience building and scaling outbound pipeline across India, APAC, EMEA, and the U.S. Currently own the end-to-end outbound function for a HR-tech business unit at Prismforce, generating qualified pipeline for enterprise Talent Acquisition and HR leaders across IT services, GCCs, Staffing, and Healthcare. Proven track record in building outbound motions from 0-1, ICP definition, multi-channel prospecting (cold calling, email, LinkedIn/social selling), event-based lead generation, and enterprise account expansion. Skilled in CRM management, data-driven outreach, trigger-based sequencing, and cross-functional collaboration with global GTM teams. Consistently exceeds monthly pipeline targets and enterprise deal contributions.

CORE SKILLS

Prospecting: Inbound & Outbound Prospecting | Cold Calling | Cold Emailing | Multi-Channel Outreach | Social Selling (LinkedIn) | Trigger-Based & Research-Personalized Outreach | Event-Based Lead Generation

Sales & Pipeline: Lead Generation | Appointment Setting | Account-Based Marketing (ABM) | Pipeline Generation | Lead Qualification (SQL) | Account Penetration | Outbound Strategy & Playbook Design | ICP Definition | Database & List Building | Proposal Creation

TOOLS & PLATFORMS

Salesforce | HubSpot | Outplay | LinkedIn Sales Navigator | Lusha | ZoomInfo | Apollo | Instantly | Clay | Loom (Video Prospecting) | Mailchimp | SendGrid | HeyReach | Excel (Pipeline & Tracker Management)

KEY ACHIEVEMENTS

- Achieved month on month targets consistently at Prismforce, with 4-5 deals closed from the leads generated in most recent 4-month period
- Built the outbound function from 0-1 for Prismforce's SelectPrism business unit, spanning ICP definition, database/list building, and multi-touch cadences
- Increased demo bookings by 40% through multichannel outreach at Techademy
- Delivered a $1M+ enterprise deal via ABM and account penetration strategies at iMocha
- Improved pipeline conversion rates by 30% through tighter Account Executive collaboration
- Built enterprise account mining process targeting Capgemini, TCS, Ericsson, Wipro, and more

WORK EXPERIENCE

Senior SDR (IC Role) — Prismforce

Nov 2025 – Present | Pune

- Own the complete outbound function for the SelectPrism business unit, targeting TA/HR leaders (CHROs, VP/Director TA) across IT services, GCCs, Staffing, and Healthcare verticals in India and the US
- Built outbound from the ground up: ICP definition, database and list building, multi-touch email/call/LinkedIn sequences, and trigger-based, research-personalized outreach
- Support both India and US GTM teams in generating qualified pipeline, collaborating cross-functionally with US-based colleagues on outreach strategy and cadence
- Lead pre-event, on-ground, and post-event outreach for globally organized HR conferences (SHRM,UNLEASH,TAW, and other industry events); personally attend India-based events to expand network and generate qualified leads onsite
- Manage inbound lead handling alongside outbound prospecting, and maintain structured trackers for call logs and pipeline management
- Consistently achieved monthly pipeline targets since joining; contributed to 4-5 closed deals in the most recent 4-month period

Business Development Manager — Techademy (IC Role)

Jul 2025 – Oct 2025 | Pune

- Developed outbound pipeline for ITES, BFSI, and Technology accounts across India, APAC, EMEA, and the US
- Drove targeted cold calling, email, and LinkedIn campaigns resulting in a 40% increase in product demos
- Partnered with Account Executives for opportunity qualification and follow-up, achieving a 30% improvement in conversion
- Managed enterprise and mid-market outreach strategy on a global scale

Assistant Manager, Business Development (IC & Team Lead) — iMocha

2022 – 2025 | Pune

- Generated outbound leads as an individual contributor while mentoring a team of 6 BDRs across India, APAC, EMEA, and the US
- Consistently achieved monthly targets individually and as a team; individually delivered 8 opportunities/quarter from accounts including Capgemini, Ericsson, TCS, and Wipro
- Contributed to the closure of a $1M enterprise deal via ABM and account expansion strategies
- Spearheaded two teams: Net New Sales (3 BDRs) targeting India, APAC & EMEA for enterprise accounts, and Account Mining (3 BDRs) focused on cross-sell/up-sell in existing accounts

Senior BDR — iMocha (IC Role)

2020 – 2022 | Pune

- First BDR on the account mining team; built the process from the ground up working closely with the CS Head
- Worked on large enterprise accounts including Capgemini, Wipro, TCS, and Ericsson

Inside Sales Executive — Hoofit (formerly workout.CASH)

2017 – 2020 | Pune

- Drove engagement for a gamified workplace wellness program through 8-week corporate fitness challenges
- Enhanced team output by collaborating with sales and marketing on lead generation and pipeline growth
- Secured high-value client accounts through targeted cold calls, emails, and LinkedIn outreach; consistently achieved 30 qualified leads/month (personal best: 31 leads)
- Improved internal processes, developed sales enablement tools, and contributed to building a global company from the ground up

EDUCATION

Bachelor of Engineering | 2010 – 2014
