PROFESSIONAL SUMMARY

Strategic finance professional with 3 years of experience in FP&A, financial modelling, forecasting, and MIS reporting — with a background spanning consulting and high-growth corporate environments. Experienced in building multi-year financial projections, delivering management reports, and providing actionable financial insights to senior leadership to support business decisions. MBA in Finance with a strong foundation in financial planning, working capital management, and analytical problem-solving. Looking to grow into a Finance Lead role where strategic thinking and financial rigour drive business outcomes.

WORK EXPERIENCE

Financial Analyst
04/2025 – Present

Aumni Techworks LLP, Pune

- Lead FP&A activities including weekly 13-week rolling cash flow forecasts and periodic financial planning, delivering forward-looking insights to senior management to support strategic decision-making
- Conduct monthly working capital analysis tracking DSO, DPO, receivables aging, and payables cycles — building actionable plans to address financial performance gaps and escalate risks proactively
- Prepare periodic MIS reports and financial analytics for leadership, translating complex financial data into clear, decision-ready insights aligned with business objectives
- Drive financial compliance across accounting operations including journal entries, vendor management, and multi-account reconciliations, ensuring accurate and audit-ready period-end closure

Finance Intern
01/2024 – 06/2024

Arthtech Consultants Pvt. Ltd.

- Built 5-year financial models and projections for 3–5 SME clients simultaneously, supporting strategic business planning and bank loan proposals in the ₹50L–₹2Cr range submitted to scheduled commercial banks
- Prepared 4–6 CMA reports and delivered MIS packages including cash flow forecasts and ratio analysis to both clients and banking institutions, enabling informed financial and lending decisions
- Conducted financial statement analysis across diverse client portfolios, identifying performance trends, liquidity risks, and growth opportunities through multi-ratio frameworks

Tax and Audit Assistant
04/2023 – 08/2023

CA Sachin Gujar & Associates

- Managed tax filings and audit support for firms and individuals, ensuring regulatory compliance and financial accuracy
- Reviewed financial statements to identify and resolve discrepancies, improving reporting quality and audit readiness

Article Assistant
06/2019 – 03/2022

CA Vaidya & Associates

- Executed GST and income tax compliances and trust audits, building a strong foundation in financial regulations and compliance frameworks
