PROFESSIONAL EXPERIENCE

Futurism Technologies | Business Development Executive **May 2024 - Sept 2024**

- Spearheaded lead generation efforts for international markets, focusing on North America, generating high-quality leads.
- Collaborated with cross-functional teams, including product and marketing, to align sales strategies with client needs.
- Engaged with potential clients to understand project requirements, clarify solutions, and build trust-based relationships.
- Developed and maintained relationships with C-level executives (CTOs, CIOs) and key decision-makers, securing long-term partnerships.

PatSeer Technologies | Senior BD Product Associate **Jul 2022 – May 2024**

- Led international lead generation campaigns via cold calling, email outreach, and tailored product demos for prospective clients.
- Conducted market research to analyze trends, competitor strategies, and customer needs, refining sales approaches.
- Negotiated and drafted client proposals, securing contract renewals and upselling opportunities.
- Managed the entire sales cycle, from prospecting to deal closure, consistently achieving monthly and quarterly targets.

Shriram Finance Ltd | Product Representative **Jan 2021 – Jun 2022**

- Managed inbound leads by responding promptly via phone, email, and online chat, ensuring high conversion rates.
- Conducted regular follow-ups to assist clients through the approval and onboarding process.
- Provided detailed product knowledge to prospects, improving lead engagement and conversion.
- Tracked and analyzed lead data to optimize sales strategies and improve conversion rates.
- Supervised a team of four junior sales executives, providing coaching and mentorship to improve performance.
