WORK EXPERIENCE

Business Development Manager / ERP Consultant | **VNMT Solutions** *May 2025 – Present*

- Drove NetSuite ERP consulting business across USA, UK, GCC, APAC, and Middle East, contributing to USD 37K QRR growth
- Identified client pain points and recommended tailored ERP and automation solutions, managing end-to-end enterprise sales cycles from lead to closure

- Executed multi-channel outreach via LinkedIn, email, and cold calling, generating 40+ qualified opportunities per quarter
- Built and maintained C-suite relationships with executives, finance leaders, and decision-makers across multiple industries
- Collaborated cross-functionally with technical and delivery teams to prepare customized proposals, capability decks, and service documentation
- Maintained CRM pipeline with consistent accuracy, tracking client engagement, opportunity status, and conversion metrics

Business Development Manager | **TaskCraft Technologies** *Sept 2023 – April 2025*

- Led scaled business growth across GCC, USA, ASIA/APAC, UK, and Middle East through ICP and Non-ICP account targeting strategy
- Applied sales intelligence tools and data-driven targeting to generate maximum MQLs, consistently achieving 100%+ quarterly targets
- Scheduled and led discovery meetings with C-Suite executives, proposing tailored solutions based on client business challenges
- Managed and mentored a cross-functional team of 5 BDEs, handling end-to-end lead generation training and strategy implementation
- Conducted account profiling based on company size, industry, revenue, and ICP criteria to identify high-value targets

Sr. Business Development Executive | **Imenso Software** *Aug 2022 – Aug 2023*

- Managed customer-centric client communication across USA, UK, GCC, and APAC markets from prospecting through to contract closure
- Negotiated contract terms with enterprise clients and streamlined the proposal and follow-up process to reduce deal closure time
- Trained junior team members on lead generation strategies and CRM pipeline management best practices
- Developed and maintained relationships with key contacts at consulting companies and technology partners

Business Development Executive | **Deqode Solution** *Jan 2018 – Aug 2022*

- Built and managed structured analysis of target markets, clients, and documentation within CRM system
- Generated qualified leads through conference networking, cold calling, and strategic referrals
- Collaborated with BD, marketing, and product teams to create competitive concept proposals
- Developed negotiating strategies by assessing risks, estimating partner needs, and aligning on goals

Business Development Executive | **Zingbytes IT Solution** *July 2017 – Jan 2018*

- Managed pre-sales activities including prospect research, proposal preparation, follow-ups, and coordination with senior leads
- Developed and oversaw marketing functions to identify key acquisition strategies for new client and revenue growth
- Negotiated agreements and built lasting relationships with consulting firms and technology partners
