PROFESSIONAL SUMMARY

Results-driven Business Development Manager with 8+ years of experience in SaaS Sales, IT Services Sales, Software Solutions, and B2B Business Development. Proven track record in lead generation, pipeline management, client acquisition, account management, and revenue growth. Experienced in selling SaaS products, custom software development, web applications, mobile applications, and digital marketing services across domestic and international markets. Skilled in managing end-to-end sales cycles, building strategic client relationships, and leading high-performing sales teams.

PROFESSIONAL EXPERIENCE

Business Development Manager

Sinfonia Pro | 24 Aug 2026 – Present

- Lead and manage the BDE team, set targets, monitor performance, conduct reviews, and ensure achievement of revenue goals.
- Personally generate and close new business through prospecting, cold calling, LinkedIn, email campaigns, referrals, and other channels for both **custom software projects and SaaS products**.
- Build and maintain a healthy sales pipeline, qualify prospects, track opportunities in CRM, manage follow-ups, and ensure consistent movement from lead to closure.
- Understand client business challenges and recommend suitable solutions—custom software, web/mobile development, or SaaS products—while handling demos, proposals, negotiations, and commercial discussions.
- Identify new markets, industries, and accounts; develop sales strategies, analyze competitors, build partnerships, and work with management/product teams to identify opportunities for revenue growth.

Business Development Manager

Gunadhya Software Solutions | Aug 2024 – May 2026

- Drove business growth through the sale of SaaS products, Time Tango [Attendance & Activity tracking system] and WorkNXL [HRMS].
- Generated qualified leads and acquired new clients for custom software, website, and mobile application development services.
- Managed the complete sales lifecycle from prospecting and discovery to proposal submission, negotiation, and closure.
- Led and mentored Business Development Executives to achieve sales targets.
- Conducted market research and competitor analysis to identify new business opportunities.
- Utilized CRM tools for pipeline management and sales forecasting.

Assistant Manager – Business Development

OAO Info India (The Kute Group) | May 2021 – Aug 2024

- Sold custom software development, website development, and mobile application solutions to B2B clients.
- Managed a team of Business Development Executives and supported sales strategy execution.
- Coordinated with vendors and stakeholders for mobile gaming and software projects.
- Built and maintained long-term client relationships to drive repeat business.
- Managed digital marketing and social media activities for internal brands and products.
- Prepared proposals, quotations, and business presentations.

Business Development Manager

ProfitBooks Solutions Pvt. Ltd. | May 2018 – Jan 2019

- Sold SaaS-based accounting and inventory management software to SMEs and enterprises.
- Managed domestic and international client accounts.
- Led the end-to-end sales process including lead generation, product demonstrations, negotiations, and deal closure.
- Managed and coached a team of Business Development Executives.
- Achieved revenue targets through consultative selling and relationship management.

Business Development Executive

Reality Premedia Services Pvt. Ltd. | Aug 2016 – Nov 2017

- Promoted and sold AR/VR solutions, custom software development, and digital marketing services.
- Generated leads through outbound sales activities, networking, and referrals.
- Conducted client meetings, product presentations, and solution demonstrations.
- Negotiated contracts and successfully closed business opportunities.

Business Development Executive

Definitics Software Solutions | Dec 2014 – Apr 2016

- Sold Kirana Saver SaaS solution and custom software development services.
- Identified and qualified sales opportunities through cold calling, email campaigns, and referrals.
- Managed the complete business development process from prospecting to closure.
- Built strong customer relationships and maintained client satisfaction.
