PROFESSIONAL SUMMARY

SEO Strategist and Senior Content Specialist with 4+ years driving organic growth through technical SEO, data-driven content strategy, and team leadership. Proven track record of scaling keyword portfolios 200%+, improving domain authority, and delivering measurable search visibility gains. Skilled in on-page, off-page, and technical SEO, combined with deep expertise in technical writing, API documentation, and editorial management.

WORK EXPERIENCE

Associate Director – SEO Strategist & Content Lead

Angel Portal Pvt. Ltd. | Mumbai | Sep 2024 – Present

- Drove organic growth through on-page, off-page & technical SEO — schema markup, Core Web Vitals, page speed, and mobile responsiveness.
- Conducted keyword research, search intent analysis, SERP & competitor analysis to inform strategy and improve search visibility.
- Optimized meta titles, descriptions, and internal linking; monitored performance via Google Search Console and Analytics.
- Led content audits and implemented E-E-A-T best practices to strengthen content quality and ranking authority.
- Managed and mentored a team of 4 writers, delivering SEO-optimized content across multiple platforms.
- Specialized in technical writing including API documentation and structured academic lectures for diverse audiences.

Senior Content Writer – SEO & Medical

Pharmiza Technology | Mumbai | Jan 2024 – Aug 2024

- Expanded organic keyword portfolio from 360 → 471 (+111 keywords), strengthening topical authority across core service categories.
- Scaled keyword footprint from 97 → 291 (+194 keywords), delivering 200%+ growth in ranking terms.
- Improved domain authority from 7 → 8; increased referring domains from 13 → 19 (+46%), reinforcing backlink credibility.
- Maintained 1.7K+ monthly organic traffic while managing a backlink profile exceeding 5.4K links.
- Developed 50+ research-driven medical content pieces; conducted literature reviews via PubMed and Google Scholar.

Content Writer & Editor

Testbook Pvt. Ltd. | Mumbai | Jun 2022 – Dec 2023

- Created and edited SEO-optimized academic and e-learning content for government exam preparation platforms.
- Managed daily publishing of 50+ articles through WordPress, LMS platforms, and Microsoft Office.
- Ensured consistency with editorial guidelines, curriculum requirements, and on-page SEO best practices.
