Ganesh Venkatesh

Mobile: +91- 9986648692 **Email: vganeshmba@gmail.com** **LinkedIn: https://www.linkedin.com/in/ganesh-v-95b090b/**

Profile Summary

- **Seasoned Finance Professional** with **17 years** of global experience in **financial reporting, statutory compliance**, and multi-entity group consolidation across **IFRS, US GAAP environments**. Proven track record of leading end-to-end month-end closures and delivering high-accuracy financial statements for multinational organizations.
- **Specialized in transforming complex financial data** into strategic insights, enabling senior leadership to make informed decisions. Expertise in designing and presenting management dashboards, MIS reports, and performance metrics that drive operational efficiency and fiscal discipline.
- Hands-on expertise with **Microsoft Dynamics NAV and other ERP ecosystems**, driving automation in financial processes and improving accuracy in reconciliation, budgeting, and reporting. Skilled in standardizing financial workflows across geographies.
- **Blends core financial acumen with content and equity research exposure**, bringing a holistic view of corporate health. Known for identifying process optimization opportunities, reducing reporting cycle times, and building resilient financial reporting frameworks under tight deadlines.
- **Led global financial reporting and XBRL compliance** for **over 185 entities across 31 countries**, ensuring regulatory adherence for Fortune 500 companies and high-growth pharmaceutical businesses. Strong command over **SEC filings, MCA submissions,** and cross-border accounting regulations.
