SUMMARY

Innovative Talent Acquisition Specialist with strong expertise in both IT and Non-IT hiring, including Data & AI roles, niche technical positions, corporate functions, and leadership hiring. Skilled in partnering closely with hiring managers to understand complex role requirements and convert them into effective, data-driven recruitment strategies. Proven ability to deliver high-quality talent within tight timelines across diverse domains and seniority levels. Recognized for a people-first approach, precision in execution, and the capability to align recruitment processes with organizational goals to support scalable and sustainable growth.

EXPERIENCE

HR RECRUITER | Dec 2025 — Current

CloudHire - Remote

- Manage end to end recruitment life-cycle of Sales, Pre - Sales and IT roles from sourcing to onboarding.
- Source candidates through LinkedIn, job portals, referrals, and ATS databases to build a strong talent pipeline
- Screen resumes and conduct initial HR interviews to assess skills, experience, and cultural fit
- Coordinate and schedule AI-based interviews, technical interviews, and managerial discussions
- Act as a key point of contact between candidates, interview panels, and hiring managers to ensure smooth interview flow
- Handle salary negotiations, offer rollouts, and candidate follow-ups to ensure successful closures
- Maintain accurate candidate data, interview feedback, and hiring metrics in the ATS
- Partner with hiring managers to understand role requirements, hiring priorities, and timelines
- Track recruitment progress and provide regular hiring status updates to stakeholders
- Ensure a positive candidate experience throughout the recruitment journey
- Support IT hiring requirements as needed for technical and product roles
- Assist in improving recruitment processes through automation, AI tools, and best practices
