WORK EXPERIENCE

Sales Development Representative - Dwij AI LABS **Jan 2025 - Sep 2025**

- Worked extensively with prospects in the US market, driving outreach strategies aligned with market-specific expectations and buyer behavior.
- Pioneered the establishment of the outbound sales development process as the first SDR at an early-stage AI SaaS start-up.
- Led the outbound lead generation initiatives targeting mid-market and enterprise clients in the AI SaaS space across global markets.
- Utilized Sales Navigator, Apollo, and Clay to curate a comprehensive and highly targeted company list within priority industries.
- Orchestrated personalized ABM (Account-Based Marketing) campaigns, resulting in the identification of high-intent accounts and tailored messaging based on job roles and technology stack
- Streamlined prospecting and research workflows through the integration of sales tools, reducing manual effort and accelerating the speed to lead.

Sales Development Representative - Increff **May 2022 - Nov 2024**

- Fostered qualified business opportunities in North America, MEA-APAC, and the India region, resulting in substantial revenue growth.
- Established a robust sales pipeline, driving $25,000 in monthly recurring revenue through strategic prospecting and lead generation.
- Achieved 100% of KPI targets consistently over the past quarters, demonstrating exceptional performance.
- Managed leads effectively in Salesforce CRM and optimized prospecting efforts using Sales Navigator, Seamless.ai, and Apollo.io.
- Conducted impactful inbound discovery calls and delivered compelling presentations to advance prospects through the sales funnel.
- Implemented the BANT methodology to generate sales-qualified leads, ensuring high conversion rates.
