PROFESSIONAL EXPERIENCE

ARCHENTS | Pune, India

Business Development Manager | *Sep 2025 – Present*

- Spearhead end-to-end B2B sales development and account-based prospecting across US and Indian markets for enterprise digital transformation solutions.
- Drive opportunity generation for **DEXA** (B2B Integration & EDI platform), targeting complex supply chain, ERP, and API integration challenges.
- Target enterprise accounts exploring **AI Automation, Agentic AI, and Cloud Modernization**, mapping C-level stakeholders across IT, Operations, and Procurement.
- Execute highly personalized multi-channel campaigns (LinkedIn, Email), conducting discovery calls to qualify technical fit and business pain points.
- Partner with engineering and leadership teams to structure technical presentations, product demos, and strategic proposal follow-ups.

NEWVISION MANAGEMENT SOLUTIONS LLP | Remote (US & India Markets)

Marketing & Sales Business Development Manager | *Oct 2024 – Sep 2025*

- Orchestrated outbound revenue operations targeting CXOs and senior IT directors for cloud, AI, and enterprise tech solutions.
- Conducted GTM market research to identify high-potential ICPs, constructing target account databases based on tech stack, size, and hiring signals.
- Aligned client business challenges with customized IT offerings, increasing pipeline volume and handover efficiency to executive sales teams.

BRILLANZ SOFTWARE SOLUTIONS LLP | Pune, India

Business Development Manager / Specialist | *Jun 2022 – Sep 2024*

- Led outbound lead generation and sales development for software development services and IT staffing solutions.
- Built and enriched prospect databases across target verticals, managing the complete sales funnel from cold prospecting to qualified discovery handovers.
- Maintained active engagement sequences with technical decision-makers to maximize conversion rates and maintain pipeline continuity.

CARNERA TECHNOLOGIES INC. | Remote (US Market)

Sales Data Analyst & Lead Generation Manager | *Aug 2019 – Sep 2022*

- Delivered market research and prospect analytics targeting US tech firms requiring custom software engineering (React, Java, .NET) and talent.
- Analyzed historical sales data and tech-stack trends to optimize prospecting segmentation and improve campaign conversion rates.

ICICI BANK | Pune, India

Deputy Manager / Sales Specialist | *May 2018 – Mar 2020*

- Managed client relationships and target-driven acquisition, building core foundations in consultative selling and account management.
