PROFESSIONAL EXPERIENCE

Tata Consultancy Services (TCS) — Process Executive, P2P

May 2024 – Present

- Manage end-to-end invoice processing for both PO and Non-PO invoices within Accounts Payable / P2P operations.
- Perform 2-way and 3-way matching of PO, GRN and invoice to validate invoice accuracy and authenticity.
- Validate invoice details and ensure timely and accurate posting in line with company policies and SLA timelines.
- Identify invoice discrepancies, exceptions and potential duplicate invoices and report/escalate them for resolution.
- Coordinate with internal teams and vendors to resolve invoice discrepancies and payment-related queries.
- Handle vendor queries related to invoice status and payments while maintaining accuracy and service levels.
- Maintain high processing accuracy and adherence to defined SLA timelines.

ChemSep Engineering Pvt. Ltd. — Analyst, Invoice Processing

Mar 2022 – May 2024

- Processed supplier invoices, SCF vendor invoices, foreign invoices and refunds/credit notes.
- Handled PO and Non-PO invoice processing and supplier payment requests.
- Responded to supplier, consultant and client queries regarding invoice and payment status.
- Used SAP T-codes for reversal and correction entries.
- Worked on GR/IR open line items and supported the resolution of outstanding items.
