WORK EXPERIENCE

Technical Recruiter — Peoplefy Info Solutions

March 2024 –Present | Pune, Maharashtra | Full-Time

- Managed the end-to-end recruitment lifecycle for IT positions, covering requirement understanding, sourcing, screening, interview coordination, documentation, offer management, onboarding, and post-joining follow-ups.
- Partnered with hiring managers and business stakeholders to understand role requirements, define sourcing strategies, prioritize critical positions, and ensure timely closure of hiring requirements.
- Successfully closed mid-level, senior-level, niche, and critical positions, including highly specialized Solution Architect roles within 1 week of assignment, demonstrating strong niche sourcing and stakeholder management capabilities.
- Handled end to end recruitment requirements for MNC clients and internal hiring, managing multiple positions simultaneously while ensuring quality hiring and adherence to agreed recruitment timelines.
- Utilized LinkedIn Recruiter, Naukri, Foundit, IIMJobs, employee referrals, internal databases, and Boolean/X-Ray search techniques to source and engage qualified candidates across diverse technical skill sets.
- Conducted candidate screening and assessments based on technical skills, relevant experience, communication, role fit, and cultural alignment, ensuring quality shortlists for hiring managers.
- Managed candidate engagement, salary discussions, offer coordination, notice-period follow-ups, and joining formalities, helping minimize offer dropouts and ensure smooth onboarding.
- Used AI-powered recruitment tools to support sourcing, resume screening, profile matching, talent mapping, Boolean/X-Ray search creation, candidate assessment, and interview preparation, improving sourcing efficiency and turnaround time.
- Led and coordinated campus recruitment and college placement drives for freshers.
- Maintained accurate ATS records, recruitment trackers, MIS, and hiring reports, tracking candidate pipelines, interviews, selections, offers, and joining status.
