Investment Operations | Fund Reconciliation | Trade & Position Data

Pune, Maharashtra | +91-8668340865 | vishwa9028@gmail.com | LinkedIn

PROFESSIONAL SUMMARY

Investment operations professional with **4 years at State Street**, a leading global custodian bank, in a Bachelor of Commerce + MBA (Finance) background. **Reconcile fund positions and accounting data daily** across multiple institutional clients, identifying, investigating, and **resolving breaks and discrepancies** at fund and security level. Deep experience in **fund structures, account setup, and configuration**, working daily with **offshore/onshore global teams** and US-based institutional clients across operations, technology, and client-service functions. Proficient in reconciliation and fund-servicing systems (PNA, MCH, C-MOD, MYSS) and Advanced Excel. Awarded the client-nominated **Bravo Award (May 2025)**.

WORK EXPERIENCE

Finance Associate - State Street Services Pvt. Ltd., Pune **May 2022 – Jun 2026**

Global custodian bank providing investment servicing, fund administration, and reporting to institutional clients worldwide.

Reconciliation & Issue Resolution

- **Reconciled fund positions and accounting data** against portfolio records **daily** across 4 institutional clients, verifying holdings and transactions at **fund and security level**.
- Identified, investigated, and **resolved data breaks and discrepancies per month**; **escalated** unresolved issues to onshore teams and senior stakeholders with clear documentation.
- **Collaborated cross-functionally with operations, technology, and client-service teams** to troubleshoot data issues and ensure consistency across accounting and reporting systems.

Fund Setup & Account Configuration

- Set up and configured **new funds, aggregates, breakouts, benchmarks, and account structures** in PNA per client specifications and investment mandates, ensuring accurate onboarding.
- Maintained data accuracy across C-MOD and MYSS platforms with daily validation checks, meeting strict **SLA-driven daily and monthly deadlines** with speed and precision.

Client Reporting & Communication

- Worked daily with **offshore/onshore global teams and US-based institutional clients**, managing time-zone-sensitive deliverables and handoffs.
- Managed client communication via Outlook, resolving ad-hoc queries and operational issues punctually within agreed SLAs.
- Calculated and reported **daily and monthly portfolio returns (TWR/MWR)** for institutional clients using PNA and MCH, maintaining accuracy across all reporting workflows.

Key Achievement

- **Bravo Award (May 2025)** - nominated directly by the client for outstanding performance and delivery.

INTERNSHIP

Relationship Manager (Intern) - Mudrabiz Finance Company, India **2021 (2 months)**

- Supported client relationship management and loan-process coordination, gaining foundational exposure to retail finance operations.

CORE SKILLS

- **Reconciliation & Operations:** Daily position and transaction reconciliation, break identification and resolution, escalation management, trade/settlement-cycle awareness, SLA management
- **Fund Servicing:** Fund setup and account configuration, fund structures and mandates, benchmarks and aggregates, mutual fund and institutional portfolio data, NAV/accounting data validation
- **Systems & Tools:** PNA, MCH (Multi Currency Horizon), C-MOD, MYSS (My State Street), Tally ERP; Advanced Excel (pivot tables, VLOOKUP/XLOOKUP)
- **Communication:** Offshore/onshore team collaboration, cross-functional coordination (operations, technology, compliance), client query resolution via Outlook
