PRIYANSH THAKUR

CONTENT MANAGER/CONTENT CREATOR

PROFILE

Results-driven Content Manager and Visual Storyteller with 8+ years of experience turning brand ideas into highperforming digital content. Proven track record of scaling audiences from zero, driving revenue through performance creatives, and leading end-to-end visual productions across YouTube, Instagram, and branded campaigns. Combines strategic thinking with hands-on creative execution across photography, video, and content strategy.

WORK EXPERIENCE

The Full Circle — NOV 2025 - PRESENT

Content Strategist/Content Creation

- Scaled founder's Instagram from 0 to 100K followers in under 7 days through strategic content planning and execution
- Grew average video views from 400–500 to 8–10K within 2 weeks by optimising content format, hooks, and storytelling structure
- Produced 5 podcasts in 2 days and repurposed them into 40 social media videos within a single month, maximising content output per shoot
- Managed 12–15 pieces of content per week across YouTube, Instagram, and branded digital campaigns without compromising quality
- Generated multiple videos reaching 8K–50K organic views on both brand and founder pages through data-informed content strategy

Phulwaa — NOV 2025 - PRESENT

Content Strategist/Content Creation

- Produced 8–10 pieces of spirituality-led content per week, maintaining a consistent brand voice across performance marketing and digital campaigns
- Delivered 10 performance marketing creatives per week across 2 business handles, directly contributing to ₹3L revenue in Month 1 and ₹4L in Month 2
- Contributed to videos achieving 8K–50K organic views through targeted storytelling focused on spiritual narratives and audience resonance.

Bizbox Publishing Pvt Ltd — APRIL 2021 - JAN 2024

Senior Editor

- Consistently edited 6–7 projects per week, exceeding the monthly target of 24 with a 100%+ approval rate
- Ranked among the top 10 performers organisation-wide for editing quality, delivery consistency, and output volume
- Trained the entire photo editing team on Adobe Lightroom shortcuts and AI image upscaling, measurably improving team-wide turnaround speed

Priyansh Thakur Photography Services — AUG 2020 - PRESENT

Photographer/Creator

- Built and operated an independent visual content business, serving 300+ clients over 8 years across individual, brand, and production house projects
- Led 100+ diverse production teams across commercial and creative assignments, demonstrating consistent leadership in high-pressure environments
- Delivered visual content across vocal training schools, student programmes, and brand productions, managing end-to-end shoot and post-production workflow

C4E (Reel Talkies / Grey Pixel) — Jan 2019 - Mar 2020

HEAD PHOTOGRAPHER / CURATOR

- Managed a team of 4–5 photographers, overseeing content quality and recording workflows across YouTube and Instagram
- Co-founded Grey Pixel creative community, growing it to 1,000 followers within the first month of launch
- Led content curation and quality control for visual assets across social media and streaming platforms, maintaining high creative and delivery standards
