PROFILE:

Automation Test Engineer with **3+** years of experience in Web Application Testing using **Cypress** and **Playwright** with **Cucumber** and Page Object Model (**POM**) frameworks. Skilled in designing scalable automation frameworks, writing **BDD** test scenarios, and executing functional, regression, and **API** tests.

Profile Summary:

- Developed and maintained automation frameworks using **Cypress and Playwright (TypeScript/JavaScript)** with Page Object Model (**POM**)
- Implemented **BDD** framework with Cucumber, creating feature files in Gherkin and mapping them to step definitions.
- Automated functional, regression, and API test cases for web applications.
- Built Custom **Cypress Commands** for reusable actions.
- Performed API testing using **Postman** and validated API responses using **Cypress** and **Playwright assertions**.
- Utilized **Mocha** as a test runner and **Chai** assertion library for structured and readable test validations.
- Familiar with **CI/CD tool (GitHub Action**)
- Actively participated in **Agile/Scrum** ceremonies – sprint planning, backlog grooming, daily stand-ups, and retrospectives.
- Used **Jira** for test case management, defect tracking.
- Managed source control with **Git/GitHub**.
- Conducted cross-browser and cross-platform testing to ensure app compatibility
- Reported test execution results and shared insights with team to improve product quality.

Technical Skills:

Category	**Tools/Technologies**
Test Automation	**Cypress, Playwright , Mocha, Chai**
BDD Frameworks	**Cucumber, Gherkin**
Design Patterns	**Page Object Model (POM), Data Driven Testing**
Languages	**JavaScript, TypeScript**
API Testing	**Postman, Cypress API testing,**
Project Management & Bug Tracking	**Jira, Agile/Scrum**

Version Control	**Git/GitHub**
Other Tools	**VS Code**

Professional Experience:

- Working as **Automation Test Engineer** with YOUNGELEMENT INDIA PRIVATE LIMITED from Aug. 2022 till now.

Project 1: Configure, Price, Quote (PriceFx - CPQ).

Role : Automation Test Engineer

Testing Methodology : UI and API Automation using Playwright with Typescript.

Domain : Pricing Domain

Client Name : American multinational tyre manufacturing company.

Description:

Pricefx CPQ is a cloud based Configure, Price, Quote solution. It helps sales teams create accurate quotes. The system automatically calculates prices based on rules and discounts. It generates professional quotes quickly for customers. Its goal is to speed up the sales process and reduce pricing errors.

Responsibilities:

- Designed and implemented end-to-end UI automation using Playwright with TypeScript.
- Developed scalable automation framework using Page Object Model (POM).
- Automated functional, regression, and API test cases for web applications.
- Executed cross-browser testing using Playwright across Chromium, Firefox, and WebKit.

Project 2: PriceFX Rebate Simulation

Domain : Pricing Domain

Client : American multinational tyre manufacturing company

Testing Methodology : UI and API Automation using Cypress with JavaScript.

Description:

Program Rebate Simulation involves testing and comparing different rebate configurations using historical sales data, and analyzing their impact on bonus payouts, margins, and revenue. The objective is to provide the Distribution Management team with a reliable and accurate simulation environment for better decision-making.

Responsibilities:

- Developed, and maintained Cypress automation framework using Page

Object Model (POM) for scalable test automation.

- Automated functional, regression, and API test cases for web applications.
- Built custom Cypress commands for reusable actions

Educational Details:

Course	University/Board Of Education	Percentage	Year
M.C.S	Pune University	7.7(grade)	2023
B.C.S	Pune University	67	2021
H.S.C	Maharashtra State Board	63.38	2016
S.S.C	Maharashtra State Board	79.60	2016

Personal Details:

Present Address : lane 5, Uttakrsh society, katraj Pune, 411043.
Marital Status : Single
Language Known : English, Hindi, Marathi .
Nationality : Indian.
Date of Birth : 12th Aug 2000.
