Professional Summary

Motivated and detail-oriented Technical Consultant with **2.5 years of experience** in implementing and customizing Microsoft Dynamics 365 Finance & Operations solutions. Demonstrated expertise in leveraging new frameworks, and event handlers to deliver robust business solutions. Known for translating complex functional requirements into high-quality technical deliverables, maintaining clear documentation, and collaborating effectively with cross-functional teams.

Work Experience

Technical Consultant – Sonata Software Pvt. Ltd., Bangalore ***(Mar 2023-Present)***

- Led the end-to-end technical implementation of **Microsoft Dynamics 365 Finance & Operations**, with a primary focus on the **Finance module,** ensuring seamless alignment with business workflows and financial processes.
- Architected and developed a wide range of custom components—including tables, forms, classes, data entities, workflows, and RDP-based SSRS reports—utilizing **X++ and SQL** to deliver tailored business solutions.
- Enhanced and extended standard application functionality using **Chain of Command (CoC), pre/post event handlers, and the SysOperation Framework**, enabling clean, modular customizations with minimal disruption to base code.
- Designed and orchestrated efficient batch jobs to automate background processing tasks, significantly **improving system performance and operational throughput**.
- Oversaw technical environment management via **Lifecycle Services (LCS)**, including code deployments, database restores, and environment refreshes, ensuring system integrity and continuity during development and UAT cycles.
- Maintained detailed and structured technical documentation throughout the project lifecycle, supporting traceability, team collaboration, and adherence to best practices and coding standards.

Education

Master of Computer Applications (MCA) ***(2020 - 2022)***
Patna Women's College, Patna University **| CGPA: 7.9**

Bachelor of Computer Applications (BCA) ***(2017 – 2020)***
Shri Arvind Mahila College **| CGPA: 8.0**
