Profile

I am a versatile B2B SaaS content specialist with over five years of experience. I excel in SEO writing, content strategy and storytelling to simplify complex concepts and craft engaging, business-aligned content across platforms.

Experience

Content Strategist – KPI SuiteTech India Private Limited | February 2026 – May 2026

- Spearheaded quarterly B2B content marketing strategy across multiple business verticals, building keyword strategies, editorial calendars and SEO/AEO frameworks that drove a **200% increase** in organic traffic **within 2 months**, using SEMrush, Google Search Console and AI tools to monitor performance and uncover growth opportunities.
- Owned full-cycle content planning and execution across **blogs, website pages, webinars, PR campaigns and sales enablement assets,** aligning initiatives with funnel stages, business priorities and lead generation goals.
- Developed tailored content for **UAE, GCC and U.S. audiences**, adapting messaging to regional search behaviour, buyer pain points and industry context to improve relevance and engagement.
- Drove off-site discoverability through Reddit, Quora, LinkedIn and Medium while designing platform-specific social strategies that improved reach, impressions, engagement and brand recall across priority channels.
- Supported **brand launch and positioning initiatives**, collaborated with SMEs and product teams to produce insight-led collateral and executed **webinars and PR** outreach to strengthen authority and generate qualified top-of-funnel opportunities.

Senior Content Writer – Newfold Digital (Bluehost) | June 2025 – October 2025

- Created long-form, **LLM-optimized blog articles**, including comparison posts and step-by-step guides. These were enhanced with targeted keywords, visual elements and FAQs to boost visibility and drive organic traffic.
- Crafted content tailored to captivate **U.S. audiences**, aligning tone, examples and messaging with local preferences and search intent to boost engagement.
- Optimized existing blogs to meet **AEO and GEO** best practices while adhering to Bluehost's messaging standards, enhancing readability, search rankings and audience engagement.
- Designed a Reddit **user-generated content (UGC) strategy** with answer templates that encouraged participation and strengthened brand credibility.
- Crafted content for conversion-focused **landing pages** that targeted high-intent audiences, thereby driving **lead generation and revenue growth**.
- Proofread peer content to ensure editorial consistency, quality and alignment with brand tone.
- Utilized AI tools such as ChatGPT, Surfer SEO and **custom GPTs** to streamline drafting, editing and optimizing content.
- Leveraged **Google Search Console (GSC)** and **Semrush** to analyze content performance, track rankings and identify new keyword opportunities.

Senior Content Writer – Inogic (Microsoft Partner) | September 2022 – June 2025

- Led the creation of product pages, infographics, video scripts, YouTube Shorts, comic strips, carousels and newsletters, driving a **30% increase in audience engagement**.
- Planned and executed content strategies and calendars, optimizing delivery timing to boost website and social media engagement by **25%.**
- **Managed a team** of four writers to maintain and update product documentations for 20+ apps, reducing customer support queries by **15%.**
- Revamped product pages to better **target buyer personas,** improving product **positioning**, **messaging** clarity and **lead quality**.
- Created content for webinars, press releases, persona-based emails and quizzes, nurturing audiences from awareness to consideration stages of the sales funnel.
- Worked cross-functionally with stakeholders to develop onboarding collaterals such as **user manuals, installation guides, whitepapers** and presentations for **20+ apps**, resulting in improved user experience and higher product adoption rates.
- Led community engagement efforts by crafting content that addressed user queries, shared product insights and built credibility across **Q&A forums** and review platforms.
- Partnered with the sales team and clients to curate **impactful testimonials**, reinforcing brand credibility and customer trust.
- Developed **sales enablement assets**, including competitor battlecards, to empower the sales team, refine pitches and accelerate deal closures.

Content Writer – SM Properties | May 2022 – September 2022

- Wrote blog articles on **Web3, cryptocurrency and blockchain**, attracting a more engaged and informed audience.
- Developed strategic **social media content** that **grew our Instagram followers by 500%** and increased audience engagement.
- Partnered with stakeholders to create a **weekly newsletter**, delivering timely updates and strengthening customer relationships.
- Coordinated with agencies, freelancers and stakeholders to develop marketing collateral like promotional videos and presentations, enabling seamless and timely delivery.

Content Writer – JPR PVT LTD | January 2020 – August 2021

- Produced promotional YouTube videos that reached **114k organic views**, boosting brand visibility and audience engagement.
- Created **video scripts, articles, technical documents and website copy** to convey key messages and build customer trust.
- I applied **YouTube SEO** strategies, which ensured the **videos ranked No. 1** on the **YouTube search page**, resulting in increased organic traffic and boosting brand awareness.
- Managed content marketing activities and translated blog articles into Hindi video scripts, expanding reach and inclusivity and maintaining a cohesive brand presence.
