Profile Summary

As a Digital Architect at Sonata Software, I am a Microsoft Certified Technology Specialist with expertise in Development Introduction (MB6-869, MB6-872, and MB6-894) and Installation and Configuration of Microsoft Dynamics Ax. With 13 years of experience in Microsoft Dynamics D365 FO, Ax 2012 R2 and R3, I excel in Power BI reporting, Logic App, and Dev Aps CI/CD, Git hub. I have demonstrated my skills through end-to-end implementations in Saudi Arabia and Qatar. Collaborating with the Microsoft engineering team, I have contributed to providing business solutions, resolving technical issues, and designing and developing new forms, reports, and logic changes to enhance business processes.
