PROFESSIONAL EXPERIENCE

Technical Content Writer/Strategist — TechAhead (SaaS) *June 2025 – June 2026*

- Formulate end-to-end content strategies and conceptualize data-backed content calendars to accelerate high-quality inbound lead generation.
- Manage high-traffic blogs, multi-tier service pages, and niche industry landing pages, using advanced GEO, AEO, and SEO strategies to capture visibility in AI search summaries (ChatGPT, Perplexity, Google SGE).
- Integrate AI efficiency tools to scale content production pipelines adhering to Google's E-E-A-T (Experience, Expertise, Authoritativeness, Trustworthiness) frameworks.
- Provide direct operational leadership to a cross-functional 6-member marketing team, promoting systematic collaborative processes to scale content distribution efficiency.
- Conduct regular performance evaluations, deliver constructive feedback, and set customized training initiatives to close execution capability gaps.
- Directly mentor trainees and junior content writers on algorithmic search engine developments and advanced digital content optimization.

Technical Content Writer and Growth (Remote) — LCX & Other Freelancing *December 2024- May 2025*

- Designed an educational content funnel focusing on blockchain architecture, tokenomics, decentralized finance to drive organic search traffic.

Technical Content Writer — Copper Digital (Software & eCommerce) *April 2024 – December 2024*

- Strategized and scaled content marketing frameworks for enterprise B2B software services, authoring deep-dive technical blogs, high-converting guest posts, eBooks, authoritative whitepapers, and targeted press releases.
- Optimized multi-channel paid marketing initiatives via Google PPC, LinkedIn, X, and YouTube Ads.
- Developed high-performing, tailored advertising copies and conceptualized design layouts for asset execution across distinct audience segments.
- Used SEMrush and Ahrefs to audit historical site content, utilizing Google and Bing Webmaster tools to systematically execute technical revamps on old content, boosting indexability and organic page rank.
- Produced end-to-end multi-platform monthly performance metrics reports covering web traffic, user engagement analytics, and lead metrics for delivery to executive leadership.
- Designed visually compelling graphics and media files utilizing Figma, Adobe Photoshop, and Canva.

Senior Executive Content Writer — Appsbizz Digital Solution (Software & eCommerce)

October 2021 – March 2024

- Oversaw corporate and client-centric content marketing funnels, authoring optimized copy for client websites across highly competitive tech domains.
- Deployed and automated multi-channel Google PPC, Facebook, Instagram, and LinkedIn ad strategies via HubSpot to scale digital lead generation pipelines.
- Published and maintained complex website assets using Content Management Systems (CMS) including WordPress, Drupal, and Shopify.
- Mentored and guided 6 digital marketing interns on active live-client execution models, fostering core knowledge areas across SEO and strategic copywriting.
- Honored with the prestigious **'Crushing It Award' in 2023** in recognition of outstanding individual contributions to content production and strategic campaign implementation.

Intern Copy Writer — ZEE Media Corporation Limited (News & Broadcasting) *March 2021 – October 2021*

- Curated, validated, and structured daily breaking news feeds, translating raw field reporter inputs into refined broadcasting bulletins.
- Authored compelling television tickers, headlines, and news packages under strict live-broadcast timeline conditions.
- Performed precision raw video editing and timeline syncing to support seamless on-air media program broadcast schedules.

Remote Content Writer — Utility Umbrella (U.K. Operations) *December 2019 – February 2021*

- Collaborated directly with corporate stakeholders to distill requirements, managing a remote operational team of 5 dedicated content writers.
- Executed off-page SEO link-building campaigns, high-authority guest posting initiatives, and strategic multi-channel social media marketing schedules.
- Optimized content copy to support international corporate expansion initiatives into high-value London and European regions.

CLIENT PORTFOLIO & ACCOUNT MANAGEMENT

- International Paid Search (Eazybe): Managed and launched Google PPC campaigns across English, Spanish, and Portuguese markets to scale user acquisition for global SaaS accounts.
- Full-Stack Digital Marketing (Utility Umbrella): Handled end-to-end digital operations, including Google PPC, paid social ads, and day-to-day website management.
- Web3 Community & Website Revamps (Toto Finance): Led community-building strategies for a commodity tokenization platform (Gold, Silver, Emerald) and managed the website redesign.

- Website Revamps & CRO (Waresports & GuideslyPro): Managed website redesigns and optimized on-page content layout to improve user experience.
- Cross-Functional Asset Creation (Physical AI Project): Collaborated directly with product designers to write and structure pitch decks and presentation content.
- Multi-Channel Brand Management (Fernhill Resort, WholesaleGang, Wilbiz, & Wilbistraw): Overlaid organic social media management with website optimization to maintain a unified digital presence for B2B and retail brands.
