SEO-focused Content Specialist with 2+ years of experience driving large-scale content operations and organic growth. Skilled in content strategy, keyword research, search intent analysis, content audits, and editorial planning.

Work Experience

Content Specialist

Metrics Aura May 2024 - May 2026

- **Published, managed, and optimized** 1,000+ SEO articles on **WordPress** by enhancing metadata, headings, keyword placement, URL structure, readability, search intent alignment, and internal linking, improving content discoverability, crawlability, and overall search performance.
- Built **500+ high-quality backlinks** through strategic outreach and link-building initiatives to support off-page SEO growth.
- Conducted comprehensive content audits to identify optimization opportunities, content gaps, and pages requiring refreshes.
- Performed keyword research, competitor analysis, and topic clustering to support editorial planning and long-term organic growth.
- Collaborated with writers, editors, and SEO teams to maintain high-quality content aligned with user intent and business objectives.

Content Writer (Freelance)
Coincodecap Oct 2021 - Dec 2024

- Produced SEO-optimized articles across crypto and technology niches with focus on engagement and organic reach.
- Structured long-form blogs for improved readability, keyword placement, and audience retention.
- Applied editorial proofreading and formatting standards to maintain consistency and content quality.
- Leveraged keyword research and competitor analysis to align content with ranking opportunities.
- Managed internal linking and content optimization strategies to improve user navigation and SEO performance.
