Experience

Yellow Slice, Pvt. Ltd. **Aug 2024 – Present**

Content Strategist, UX Writer and Copywriter *Remote*

- Delivered full UX writing for 5 client products: Actor's Truth (performing arts edtech), Underneat (D2C e-commerce), Shoonya (fintech), 5 Paisa (fintech), and Augmont (gold fintech). Wrote complete user flows, including landing pages, onboarding, microcopy, error states, tooltips, CTAs, and in-app messaging.
- Wrote complete UX copy for two internal product websites: Research.ai, a user research tool, and Designosure, a design academy, covering information architecture, landing pages, user flows, and interface messaging.
- Grew Yellow Slice's Instagram and LinkedIn presence from 12K to 20K followers by ideating and executing new content formats, including gamified audience engagement posts, carousels, video scripts, and captions.
- Drove SEO growth by editing and re-optimizing existing company blogs to rank on SERP, conducting keyword research and SERP analysis; applied AEO practices to improve Yellow Slice's visibility on AI models.
- Wrote and published client case studies for brands including Paytm, FedEx, and Chaayos on the Yellow Slice website; managed company reputation by writing Clutch reviews from video interview transcripts.
- Owned the company's marketing function, producing blogs, website copy, landing pages, outreach emails, founder thought leadership, a weekly newsletter, and social media campaigns published under a verified author profile.
- Led stakeholder discovery sessions with clients to gather website and app requirements, translating them into content briefs and managing end-to-end delivery across timelines, approval workflows, and QA.
- Managed and trained a team of 2 freelance writers using CAPM-based management practices, creating SOPs and onboarding them on formats, brand voice, and content workflows; developed client-facing documentation including UX writing guidelines, tone of voice references, and terminology standards.
- Monitored content performance and key metrics using HubSpot and Google Analytics.
- Collaborated cross-functionally with UI/UX designers in Figma, the development team, and the marketing team to align content with product, design, and growth objectives.
