LANGUAGES

- English
- Kannada
- Hindi

PROJECTS

- System adoption: I led transition programs, which included delivering comprehensive training and support to facilitate the adoption of the new system
- Reconciliation: I streamlined the reconciliation process for gift card sales and purchases by identifying and resolving the root causes of existing issues
- Project management - I collaborated with various teams to understand the requirements for new projects I then guided the process of testing these projects in our test systems, and successfully deployed them live into the production environment
